I-105/I-710 connector, on and off-ramps to Close Wednesday for Caltrans 'Swarm' Operation Targeting Freeway Maintenance

LYNWOOD — The California Department of Transportation (Caltrans) plans to close a connector and two on and off ramps on Eastbound I-105 (Century Freeway) Wednesday.

From **9 a.m. to 1 p.m. Wednesday, Nov. 15**, the following closures will be in place on Eastbound I-105 in the cities of Lynwood and Paramount:

- Southbound I-710 connector
- Long Beach Boulevard on-ramp
- Garfield Avenue off-ramp

The closures enable Caltrans to conduct a “swarm” maintenance operation involving a wide variety of tasks.

Caltrans anticipates 50 or more Caltrans crews will repair guardrails, install reflectors on guardrail and freeway shoulders for enhanced visibility, remove graffiti, trim trees, clear weeds, and complete other landscaping and maintenance needs.

Mainline freeway lanes will remain open during the swarm operation.

Caltrans reminds drivers to “Be Work Zone Alert” and “Slow for the Cone Zone.”
